## Wants to Talk Prior to Eating Kraut

WASHINGTON (AP)—Rep. An-  
cher Nelson (R-Minn.) said today  
he plans to speak first and eat  
later to the Sauerkraut Days cele-  
bration Sunday at Henderson, Minn.  
Nelson called officials of the af-  
fair to be sure he could give his  
speech first and then be able to  
wade into the tons of sauerkraut  
being prepared for an estimated  
25,000 people who are expected to  
attend the three-day celebration.  
Nelson said he had no real hope  
of winning the sauerkraut eating  
contest, but he wanted to make  
a good showing in both the speak-  
ing and eating and he didn't  
think it would work out if he ate  
first.

## President Signs Reduced Foreign Aid Measure

WASHINGTON (AP) — Presi-  
dent Eisenhower signed today a  
\$3,556,200,000 foreign aid authori-  
zation bill.  
The total is 33,200,000 short,  
or within 10 per cent, of the  
amount Eisenhower recommended.  
But there is every indication  
that Congress will cut deeper in  
the forthcoming foreign aid ap-  
propriations bill to provide the actual  
funds for the program through  
June 30, 1960.  
The bill signed today sets max-  
imums and defines policies.  
The biggest cut was in authori-  
zation for military arms to al-  
lies. Congress set the limit at  
\$1,400,000,000 instead of the \$1,600,000,000 Eisenhower recommended.  
Moreover, it directed that for a  
two-year trial period military  
foreign aid be treated as part of  
the U.S. defense budget rather  
than a separate item.  
Congress also authorized only  
15 million dollars instead of the  
recommended 20 million dollars.  
in the fund for the President to  
spend in unforeseen contingen-  
cies.  
Other categories also were re-  
duced, but Congress not only ap-  
proved the entire 700-million-dol-  
lar authorization requested for  
economic development loans this  
year in countries with lagging  
economies, but provided a  
stepped-up \$1,100,000,000 au-  
thorization for next year — which  
had not been requested.  
Other congressional contribu-  
tions written into the bill were a

## Farmers Home Committeeman Is Appointed

Harold L. Bobo of Rt. 1, Fulton  
is the new member of the Hem-  
stead County committee for the  
Farmers Home Administration.  
He will succeed Mr. Chester Les-  
ter of Hope, whose three year term  
expired on June 30.  
Mr. Bobo operates a 250-acre  
farm in the Gurnsey Community  
about 3 1/2 miles west of Hope.  
His farming enterprises are beef  
cattle, feed crops and laying hens.  
At the present time, Mr. Bobo has  
two houses with a capacity of a  
little over 3000 hens.  
Bill McNeal, local county super-  
visor for FHA says that Mr.  
Bobo's practical experience will  
enable him to make a real con-  
tribution to the county committee's  
actions when they review loan  
applications.  
Serving with Mr. Bobo during  
the coming year will be Truman  
Hill, Chairman and Senior mem-  
ber of the committee of Ozan and  
Richard Arnold of DeAnn.  
There is a Farmers Home  
Administration county committee  
serving every agricultural county  
in the country. All loan applica-  
tions must be approved by the  
committee before funds can be  
advanced. The committee also  
helps the county supervisor adapt  
the agency's loan policies and ser-  
vices to local conditions.  
The Farmers Home Adminis-  
tration makes loans to farmers to  
buy livestock and machinery, to  
finance annual operating costs, to  
improve buildings and fences, and  
to purchase land.  
The Agency also lends money  
to farmers or their non-profit as-  
sociations to establish and carry  
out approved soil and water con-  
servation practices, as well as for  
installing and improving irrigation  
and farmstead water supply fac-  
ilities.

## Youth Fellowship at South Side Assembly

The Youth Fellowship Service  
will be held at the South Side As-  
sembly at 8 p. m. this week.  
There will be singing, contests,  
special music, and the devotion by  
Rev. David E. Bailey of the Ander-  
son Baptist Church of Spring  
Hill. The youth of Hope is invited  
to this Interdenominational Rally.

## Street Scene Down South... July 1959

— Hope Star photo & engraving  
"FARM DEPARTMENT STORE" might be the title of this  
picture — for it could have been taken anywhere in the nation  
about this time.  
FOR MID-SUMMER IS THE TIME of year that farmers pack  
up their best produce and offer it for sale in local curb markets,  
or, as in our picture above, sell it directly from the truck at some  
advantageous parking spot downtown.  
THE SPOT IN THIS CASE is a parking meter in front of  
First Baptist church, and that's where The Editor photographed  
the layout at 11:30 Thursday morning.  
MAN IN THE PICTURE is Carroll Byers, son of Olin Byers,  
whose farm is 6 1/2 miles south of Hope on State Highway 29.  
The elder Byers has been marketing at this spot for several summers —  
and this is the second year for Carroll.  
CARROLL BYERS TOLD The Editor that although State 29  
is the main line road from Hope to Louisiana his best customers  
are Texans, coming into Arkansas by way of Shreveport and up 29;  
or glimpsing the roadside stand from U. S. 67 and stopping for a  
look-see and buy.  
BRISKEST BUSINESS HOUR is 10 a. m. — and fastest-moving  
item? Well, you guessed it right off. What else would it be with the  
thermometer building up toward 100 — but watermelons!

## Qualifying in Golf Tourney Extended

Due to recent bad playing con-  
ditions, qualifying for the Four  
Ball Golf Tournament this Sun-  
day will be extended through  
Saturday, July 25, Wednesday,  
July 22 was originally set up as the  
final day for qualifying.  
Team pairings will not be an-  
nounced until Saturday night.  
Anyone who qualifies and for some  
reason cannot play Sunday should  
contact Mitch LaGrone, "Tournam-  
ent Chairman, before Saturday  
night. After team pairings have  
been set up, anyone who fails to  
play also disqualifies his partner  
since there will be no last minute  
"fill ins."  
Starting times will not be post-  
ed. The teams of two men each  
may make up their own four-  
some and play anytime Sunday.

## Texarkanian Found Not Guilty of Rape

Before adjourning for the week  
yesterday a Hempstead County  
Jury found James Richardson,  
Texarkanian, not guilty of a charge  
of rape. The charge was brought  
by a Negro woman, Clarice Val-  
entine.

## Mrs. Valla Dean Cornelius Dies Thursday Night

Mrs. Valla Dean Cornelius,  
longtime resident of Hope, died  
Thursday in a local hospital. She  
is survived by her husband, Ter-  
rell S. Cornelius.  
Funeral services will be held at  
10:30 a. m. Saturday at First Baptist  
Church by Dr. John McClanahan.  
Burial will be in Memory Gardens  
by Herndon Cornelius.

## Fired Woman Appeals to Merit System

LITTLE ROCK (AP)—A woman  
who was dismissed from her job  
as nursing home supervisor for  
the Arkansas Welfare Department  
has appealed the ouster to the  
state Merit System Council.  
Mrs. Alice E. Lochbaum was  
fired on Gov. Orval E. Faubus'  
charge that she received a \$300  
payoff from a nursing home op-  
erator.  
She denied the charge and hired  
an attorney who said he could  
prove her innocence. Faubus did  
not identify the nursing home he  
said was involved.  
At the time he made the charge  
July 16, the governor also charged  
"shocking" conditions of neglect  
and mismanagement existed at  
Trinity Nursing Home in Little  
Rock.  
Mrs. Gladys Brandon, operator  
of Trinity, denied the governor's  
allegations. She asked for a Pulaski  
County Grand Jury investiga-  
tion.  
Faubus said an investigation of  
Arkansas' nursing homes was un-  
der way. Yesterday Lt. Paul R.  
McDonald, head of the State Po-  
lice Criminal Division, said there  
would be no reports on this probe  
until it was finished.  
Mrs. Lochbaum's appeal means

## Factfinders Concentrate on Strike

sent to the White House by federal  
experts as soon as they were com-  
pleted.

# Khrushchev Told Face to Face by Nixon That Threats Not Helpful

## Ministers Make No Progress in New Truce Talks

By JOHN HIGHTOWER  
GENEVA (AP) — Soviet and  
Western foreign ministers began  
discussing the terms of a possible  
Berlin truce agreement in a se-  
cret session of the Big Four con-  
ference today, but Western infor-  
mants said they made no  
progress.  
This was the first time since  
the second phase of the confer-  
ence started two weeks ago that  
the Soviet Union's Andrei Gromyko  
had been willing to engage in  
an exchange of views on the  
problems directly involved in a  
truce, instead of insisting on pri-  
ority for his proposal for creation  
of an all-German committee.  
Nevertheless, American officials  
said this progress in the procedure  
of the conference does not mean  
a thing, because Gromyko still in-  
sists the West would have to ac-  
cept his committee proposal in  
some form before he would make  
a firm agreement to suspend the  
Soviet threat to West Berlin.  
The Western foreign ministers  
went into secret session under  
pressure from Britain to salvage  
a summit conference if possible  
from the wobbling Big Four for-  
eign ministers conference. They  
met at the villa of U.S. Secretary  
of State Christian A. Herter.  
British Foreign Secretary Sel-  
wyn Lloyd's strategy was to try  
to get Gromyko to abandon his in-  
sistence on greater recognition for  
Communist East Germany. Then  
the ministers could concentrate on  
an agreement to end the Soviet  
threat to West Berlin.  
All three Western ministers

## Thinks Rockefeller Set for Nomination

ALBANY, N. Y. (AP) — State  
Chairman L. Judson Morhouse is  
telling influential Republicans in  
other states that Gov. Nelson A.  
Rockefeller may declare for its  
presidency next winter.  
Morhouse has been passing the  
word among party "pros" that  
Rockefeller will enter the race if  
he believes he has "a fighting  
chance" to gain the GOP nomina-  
tion.  
Several days ago, the governor  
indicated he might throw his hat  
into the ring under certain cir-  
cumstances. But he did not say  
what the conditions might be.  
Morhouse and others in New  
York's GOP high command are  
now actively but quietly recon-  
sidering the situation on Rocke-  
feller's behalf.

## Pair Exchange Verbal Blows Before Newsmen

MOSCOW (AP) — U.S. Vice  
President Richard M. Nixon told  
Soviet Premier Nikita Khrushchev  
face to face today, in a rough and  
tumultuous public debate, it would  
"be a great blow to peace" if the  
Geneva conference were allowed  
to fail.  
Nixon traded barbed comments  
with the Soviet leader while es-  
corting him through the American  
exhibition in Moscow's Sokolniki  
Park.  
At one point, Khrushchev ac-  
cused Nixon indignantly of threat-  
ening him. Nixon denied this, but  
said:  
"I don't believe the cause of  
peace is helped by your reiterat-  
ing the point you just made —  
that you have more strength than  
we have, because that is a threat,  
too."  
While 200 newsmen, photog-  
raphers and cameramen canvas-  
ed the two men engaged in  
a running foreign policy debate  
while they looked over the ex-  
hibits of dolls, swimsuits and au-  
tomobiles.  
Part of the unscheduled fire-  
works was recorded while they  
toured a color television studio.  
Cameras ground away as they  
argued.  
Tourists, workmen and exhibi-  
tion officials looked on in amaze-  
ment.  
Nixon promised Khrushchev  
this portion of the debate would  
be shown on an American televi-  
sion network uncensored, with  
simultaneous English translation  
of the Soviet leader's remarks.  
Khrushchev, in answer to a  
request by Nixon, agreed to allow  
video tape to be shown on Soviet  
television. The two men shook  
hands on the deal.  
As they stood on the threshold  
of a model kitchen in an Ameri-  
can home, Nixon and Khrushchev

## 36 Negroes Enrolled at Little Rock

LITTLE ROCK (AP)—A wave of  
last-day registrations today in-  
creased to 48 the number of Ne-  
groes enrolled at Little Rock's  
white public high schools for the  
fall term.  
Patrolmen have kept close watch  
over the four schools, due to re-  
open integrated Sept. 8. But no  
trouble started Tuesday.  
Nineteen Negroes were signed up  
at Central High in the catch-all  
registration today for senior, jun-  
iors and sophomores who failed  
to register earlier. Two more en-  
rolled at Hall.  
Some of the registrants were en-  
rolled by their parents. Most of  
the Negro students went in per-  
son, singly or in small groups.  
An official of a newly formed  
Committee for Peaceful Operation  
of Free Public Schools expressed  
pleasure over the orderly reg-  
istration.  
Committee chairman J. Gaston  
Williamson said, "I think students  
and parents alike are to be con-  
tended for their conduct in and  
around the schools."  
The committee was formed sev-  
eral weeks ago. Members include  
business and civic leaders.  
The fact Negroes have enrolled  
at Central, Hall and Tech does  
not mean they will attend there.  
The Little Rock School Board in-  
tends to use a state pupil place-  
ment law in an attempt to lead  
integration to a minimum, while  
obeying a federal court manda-  
te to let Negroes in.

## Former Resident of Prescott Dies in Fayetteville

Scott C. Emerson, 57, formerly  
of Prescott, died Monday at  
Fayetteville. He was past exalted  
ruler of the Elks Club and a  
Presbyterian. He was an associate  
of Barker Karpis and a member  
of the Barker-Karpis gang.  
Survivors include his wife,  
Mrs. Eva M. Nelson Emerson.  
Services were held at 2:30 p. m.  
Wednesday at Cornish Mortuary  
Chapel in Prescott by the Rev.  
Ray Woodard. Burial was at Piney  
Grove Cemetery.

## More Mediation in El Dorado Strike

EL DORADO, Ark. (AP)—Chap-  
man and management officials involved  
in the El Dorado strike at  
American Oil Co.'s refinery here  
have scheduled a second meeting  
with federal mediator C. A. Wheel-  
er at Little Rock.  
The first session was held yes-  
terday but neither side disclosed  
what took place. It was attended  
by Wayne Stuart of St. Louis for  
the union and H. A. Heiss, refinery  
manager.  
The second meeting was set for  
Monday.  
The Oil, Chemical and Atomic  
Workers union struck the plant  
July 1. About 363 workers are out  
as a result of the union's protest  
of certain working assignments.

## Woman Turns Up and Claims Kidnaping

By WALTER RUGABER  
CHICAGO (AP) — A young New  
Jersey socialite, missing since  
Wednesday, turned up in a Chi-  
cago lake front park today and  
told police she had been kidnaped  
in Newark, terrorized for two days  
and then dumped by two toughs.  
Miss Jacqueline Gay Hart, 21-  
year-old daughter of an executive  
vice president of Colgate-Palm-  
olive Co., ran sobbing to a parked  
police car and cried: "Where am  
I, where am I?"  
Policeman Jack Blakeslee told  
her where she was and Miss Hart  
sobbed, "My name is Gay Hart.  
I want to call my dad in New  
Jersey." Another officer, James  
Meskell, joined Blakeslee.  
Taken to the detective bureau,  
the distraught young woman—her  
arms braided—gave a rambling,  
sometimes incoherent account of  
the two days since she bade fare-  
well to her fiancé, 25-year-old  
Stanley Gaines, at the airport in  
Newark and vanished.

## Negro Arrested on Window Peep Charge

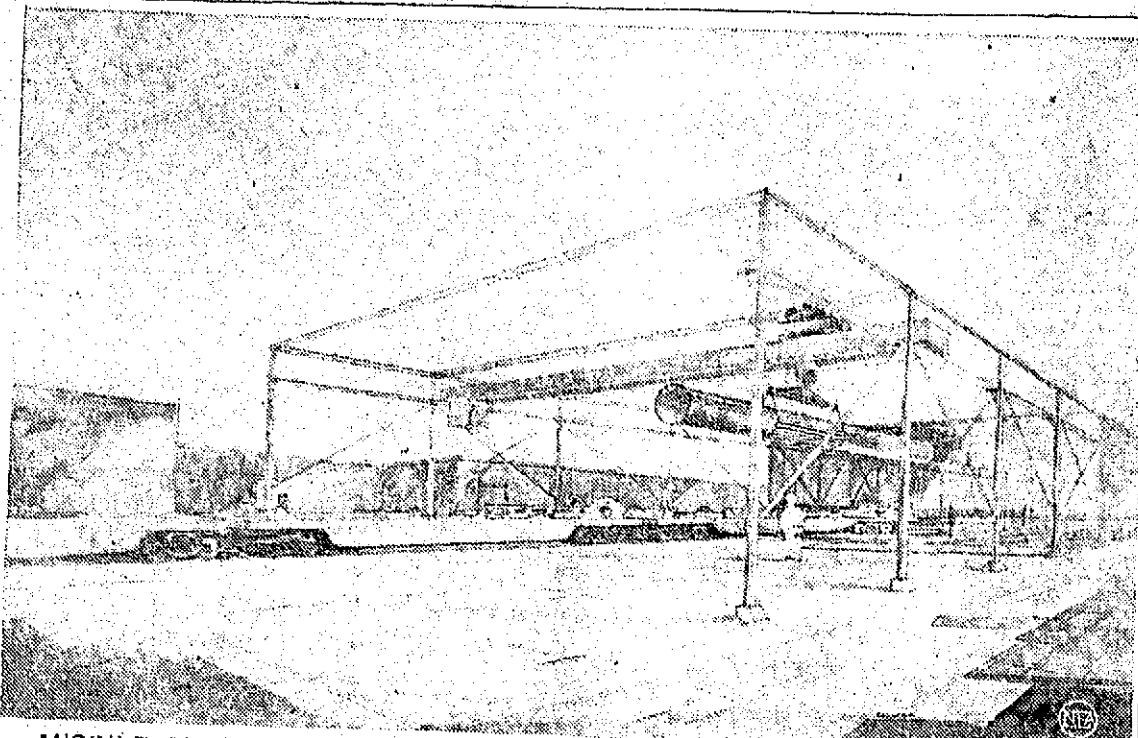

Herman Frierson, 29-year-old  
local Negro, was arrested by City  
Police late last night and charged  
with window peeping, it was  
announced by Police Chief Jack  
Brown.  
Frierson was caught outside  
the E. P. Lively home at West Ave.  
D and Walnut Streets. Chief Brown  
said Mrs. Lively saw someone at  
a window and called her husband.  
Mr. Lively got his shotgun and  
forced Frierson to come out of  
hiding in some tall grass near the  
house Mr. Brown said.

## LITTLE LIZ

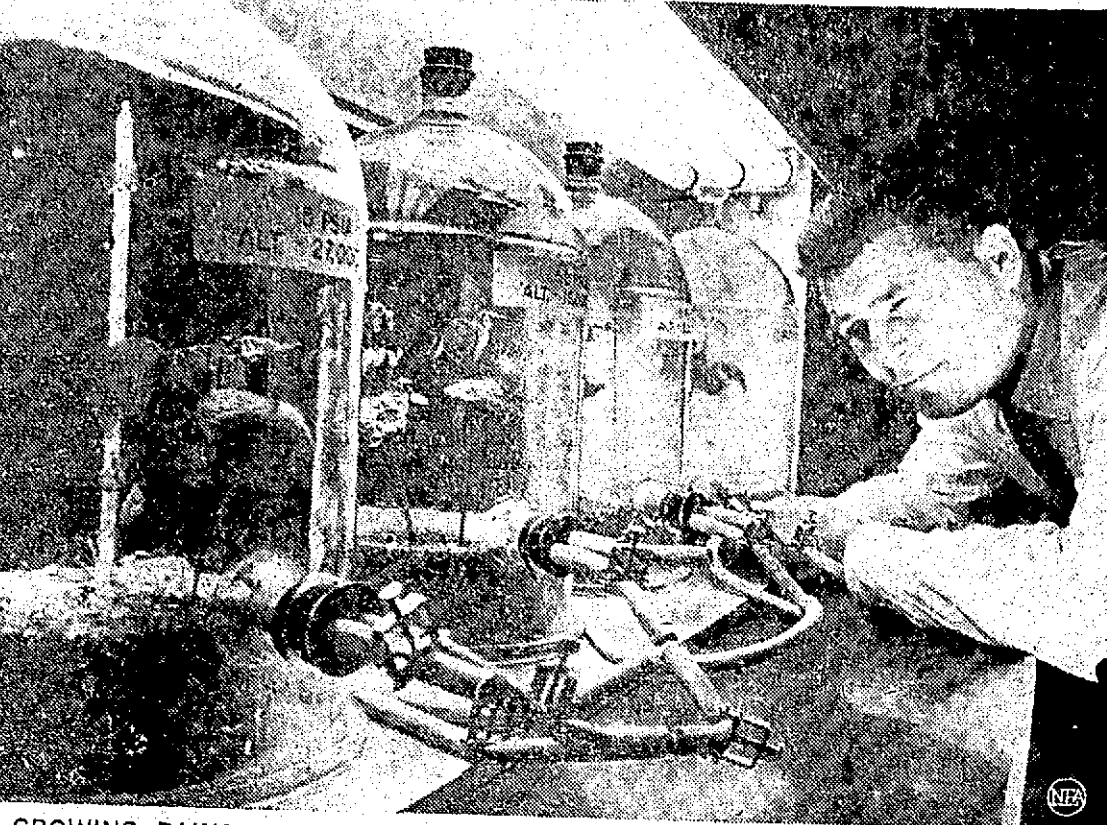

The things that are wrong with  
the younger generation are the  
things the older generation has  
outgrown.

**MISSILE ON WHEELS**—Here's an artist's conception of how Minuteman, a solid-fuel intercontinental ballistic missile due in 1962, could be loaded aboard a special railway launching car. It would mean that the missile would not be confined to fixed launching sites. Shown is a steel capsule which would contain the missile from production line to firing line.

**GROWING PAINS**—Your green thumb may produce fine plants here on earth, but how would you do on the moon? That's the problem being investigated in this experiment at Farmingdale, N.Y. Vegetables are grown under conditions that may be found on the moon. Carrots, beets, beans and turnips are cultivated in these jars at simulated high altitudes. Bill Taufman, above, and fellow scientists are working out the best design for a lunar greenhouse.

## Fulbright to Inquire in Viet Nam Program

WASHINGTON (AP)—Chairman J. William Fulbright (D-Ark) announced plans yesterday for an inquiry by the Senate Foreign Relations committee into charges of misadministration of the foreign aid program in Viet Nam.

At the same time he made public a letter from Director James V. Riddleberger of the International Cooperation Administration saying the big foreign aid agency welcomes a full inquiry.

The charges are contained in a series of articles by Albert M. Colegrove, a reporter for the Scripps Howard newspapers.

Fulbright, a proponent of that arrangements have been made for a representative of the ICA to meet

Miss Suzanne Somerville greeted the guests at the door and distributed favors. The honoree was presented a yellow and white corsage cleverly fashioned of ribbons, a tiny doll, and safety pins. Several games were played with prizes going to Mrs. Jett Williams, Sr. and Mrs. Sue Somerville.

While the many pretty and useful gifts were opened, Miss Sonia Somerville kept a record of them for the guest of honor. During the evening, individual cakes and cold drinks were served as refreshments.

**Hoover-Holwell Exchange Marriage Vows**  
The Oak Grove Baptist Church of Ashdown was the setting for the double ring wedding ceremony of Miss Norma Jean Hoover and Paul Holwell, both of Ashdown, Friday evening, July 17 at 7:30. The ceremony was performed by the Reverend Jones, pastor.

The ceremony took place before a background of orange gladioli and candles. The candles were lit by the ushers, Messrs. Roy Dowdy and Billy Pounds.

Miss Hoover is the daughter of Mr. and Mrs. Woodrow Hoover and Mr. Holwell's parents are Mr. and Mrs. Halford Holwell, all of Ashdown. The bride's grandparents are Mr. and Mrs. J. S. Hoover of Hope.

The bride, who was given in marriage by her father, was attired in a ballerina length dress of white nylon over tulle. The dress was beautiful with its fitted bodice and waistline and very full skirt. Her fingertip veil fell from a double row of flowers making a headband. The bride's only accessories was a single strand of pearls. The bride bouquet was satin streamers hanging from the bouquet.

Miss Bonnie Tullis of Hope served her cousin as maid-of-honor. She wore a baby blue dress of pima silk. The scoop neck was accented by a fitted bodice and waistline and a full-flowing skirt. Her elbow length gloves were also baby blue trimmed with small seed pearls. Her headband was white decorated with small blue flowers. To complete the outfit, she had a corsage of pink carnations.

Mr. James Gunter of Ashdown was Mr. Holwell's best man.

The ceremony ended with a song by the soloist, Mr. Harold Gunter. He was accompanied by Miss Relda Huddleston, pianist.

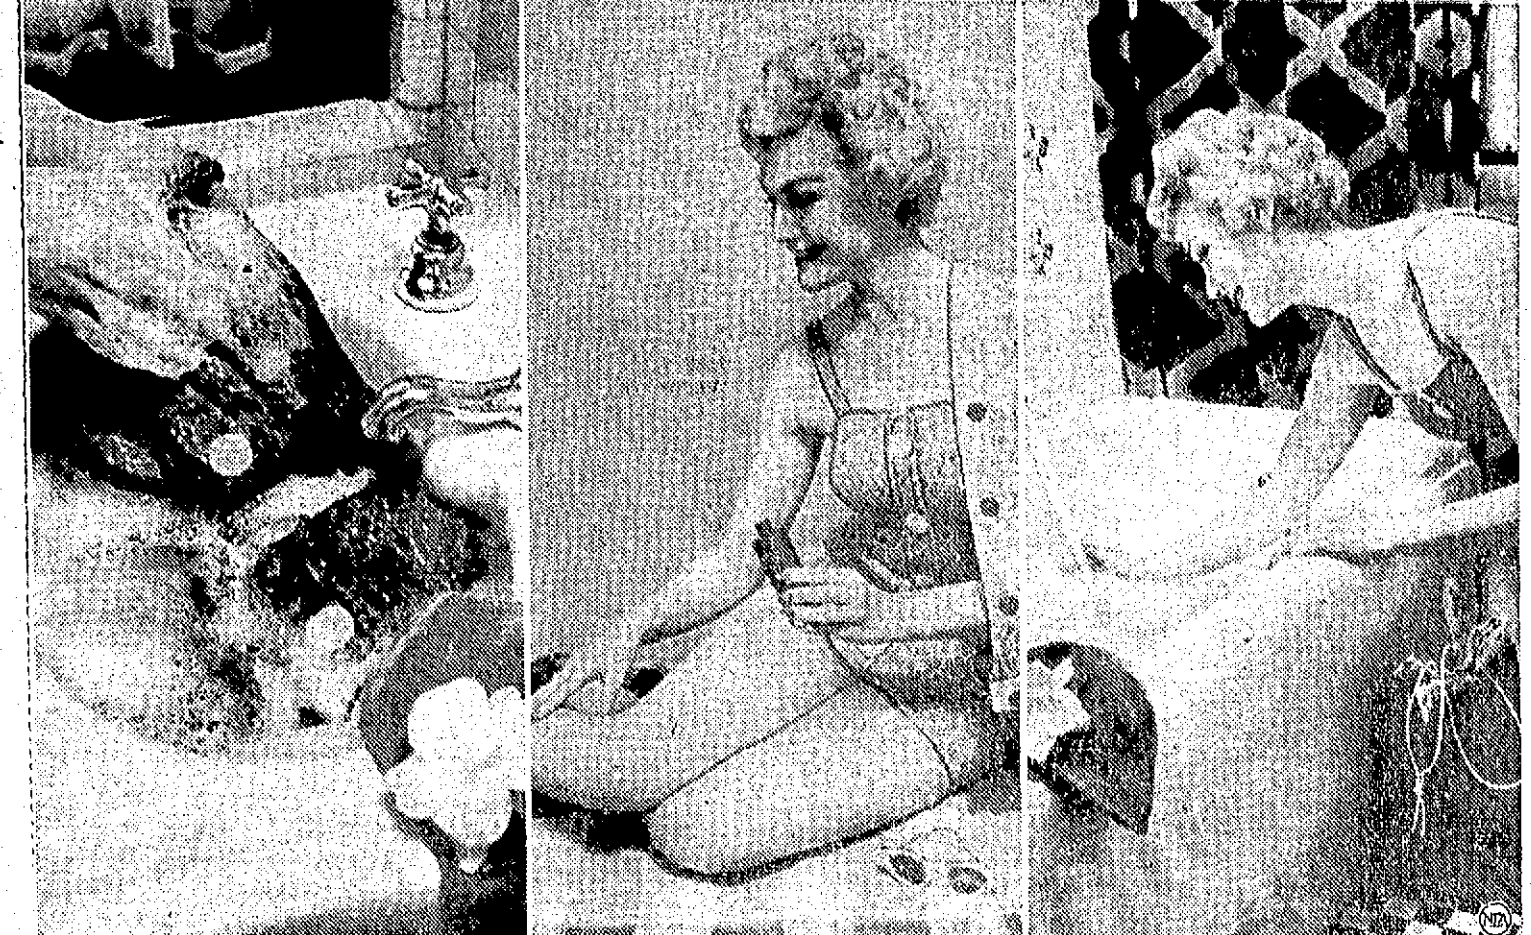

Mrs. Woodrow Hoover, mother of the bride was dressed in a navy-blue crepe dress with matching accessories of navy. Her corsage was of white carnations.

Mrs. Halford Holwell, mother of the groom, was very becoming in her two piece suit of navy linen. Her accessories were also navy and she wore a corsage of pink sweet peas.

A reception was held in the Hoover home immediately after the ceremony. The living room was very lovely with summer flowers. The dining room was decorated with gladioli. The table was covered with a white linen cloth and centered with a very pretty arrangement of summer flowers. The traditional wedding cake and punch were served to the guests.

Out-of-town guests included Mr. and Mrs. Milford Warren, Mrs. J. S. Hoover, Mrs. Roy Tullis, Pond, Yelkey, Peggy, and Mr. Louis Barlow, all of Hope, and Mr. Leon Oliver of Murfreesboro.

After a short wedding trip, the couple will be at home in Ashdown where Mr. Holwell is employed.

Beachwear rates loving care if it's to last you more than one season. For salt water and sand are good for you but destructive of fabrics if they're left in for any length of time. Sudsing a swim suit (left) after each wearing is an absolute must. It's no great chore. You wash it in much the same way you'd wash your nylons. Never wring it, of course. Sun lotion (center) helps you gain a golden tan but it can spot your swim suit if it isn't washed out. And a dip in the sea won't turn the trick. After a day at the beach, suntan lotion, perspiration and salt or chlorine come clean in the bathtub. What's good for your swim suit is good for you, too. And don't forget that your hair, too, needs shampooing.

### Evasive Lines Form Domestic Triangles

By DOROTHY DIX

Dear Dorothy Dix: I am very much in love with a married man and he is with me. His wife knows he no longer loves her and there is something between him and me. There are no children and I know she would give him a divorce if he asked for it. However, his father is in politics and is coming up for election this fall. My friend feels his father would be hurt if a scandal broke before then. Do you think we should wait?—Norma

Miss Elizabeth Moughton To Mary William C. Gentry Mr. and Mrs. John M. Brooks of Gilmer, Texas, announce the engagement of their daughter, Elizabeth Moughton, to William C. ## Management, Labor Strife to Hit Peak

By SAM DAWSON  
AP Business News Analyst

NEW YORK (AP)—Labor-management strife — as far as talking goes at least — is due to reach a new peak next week.

Outcome of this year's basic disagreements in the metals industries — the wage-price spiral and management's control of working rules — could set an over-all labor-management pattern for some time to come. That is probably why both sides are fighting so hard and stubbornly.

Here's the week's schedule:

Monday representatives of steel management and the striking workers will meet for the first time since the strike. The U.S. mediator — in a sense representing the public — will be in the middle.

Tuesday giant U.S. Steel Corp. will announce its first half earnings, followed by the No. 2 steelmaker, Bethlehem. Thursday, most of the other big companies are expected to announce theirs during the week. All are expected to show whopping gains. The outcry from the unions is sure to be loud.

Friday midnight the labor contracts with the big three in the aluminum industry expire. The union wants a wage hike. The companies are following the steel companies' pattern at the same stage of negotiations. Saying the wage-price spiral must be halted by a year's extension of the old contract.

Copper, meantime, continues its uneasy truce. Wage contracts have expired but the miners continue on the job while the talks go on. Partly this may be a desire to see the outcome of the steel strike and talks. Largely it is presumed due to an over supply of copper on the world markets, copper price weakness, and the recent cutbacks in production in many copper mines.

In steel the wage-price dispute is likely to reach new heights in talks next week as the earnings are announced.

Allegheny Ludlum has reported its first half earnings nine times greater than in the like period of 1948. Management points out that the firm was having rough sledding in the early months of last year, one reason for the glowing comparison this year. The other reason is that the company's customers in the first half of 1959 ordered as much steel as they normally would in nine months. Hence new record in output, shipments, sales — and profits. Inland Steel Co.'s profits were about 100 per cent ahead of a year ago.

## Bible Comment

MINOR BOOKS OF THE BIBLE  
By WILLIAM E. GEROY, D.D.

A commonly accepted division between the Prophets of Israel has been between the major and minor prophets. The "four great major prophets" are Isaiah, Jeremiah, Ezekiel, and Daniel; and the twelve minor prophets are Hosea, Joel, Amos, Obadiah, Jonah, Micah, Nahum, Habakkuk, Zephaniah, Haggai, Zechariah, and Malachi.

The distinction is somewhat confusing, and its basis is not clear. Three of the four major prophets stand out by reason of their length, but in our English Bible at least two minor prophets, Hosea and Zechariah, exceed the Book of Daniel in the number of chapters.

The distinction may have arisen from a sense of the importance and the impact upon Jewish life and history, but it is not justified as regards any implied inferiority of the minor as compared with the major in quality and truth, and in some respects in the significance and enduring expression that is in much that the minor Prophets declared.

No prophetic statement for instance, has had greater prominence and permanent influence than Micah's famous definition of religion in Micah 6:8: "What doth the Lord require of thee, but to do justly, to love mercy, and to walk humbly with thy God." And all the Prophesies, major and minor, contain nothing finer than the flaming words in which Amos, the herdsmen, denounced the evils of the city, and lashed out against the lifeless ritualism of a much-exercised religion which neglected the matters of justice, righteousness, and truth. Despite some questionable as-

## Blytheville Gets Some Free Cement

LITTLE ROCK (AP)—Arkansas Cement Corp. has given the Blytheville Co., a non-profit group which encourages industrialization of Blytheville, 1,000 barrels of cement.

The cement firm, located at Foreman, is a subsidiary of Arkansas Louisiana Gas Co. which recently announced it would grant free cement to municipal groups seeking to expand industry.

W. R. Stephens, president of Ark-La, said the donation to the Blytheville Co. was the largest grant of cement made under the program so far.

The grant involves construction of a 31,000 square foot building for Central Metal Products, Inc. of Kansas City, which is expanding its plant in Blytheville. The firm makes auto trim and power windows. Blytheville voters recently elected an industrial bond issue of \$250,000 to help the expansion.

## Cuba Paralyzed by Strike for Hour

HAVANA (AP)—Cuba was paralyzed for an hour today by a general strike called to demand that Fidel Castro become prime minister again. Castro said that he would be decided Sunday and gave every indication the answer will be yes.

The work stoppage was called by the big Cuban Confederation of workers from 10 to 11 a. m. Thousands left their jobs and jammed Havana's streets. Traffic was tied up.

Trains were stopped throughout the island. Buses pulled over to the side of the road for an hour. Planes, but after a few were grounded for the hour.

Before the strike, Castro said

mandate for plans to taper off outright grants to foreign countries, provisions for tightened State Department supervision and control of foreign aid, including establishment of a new post of inspector general, and requirements for more precise information from the International Cooperation Administration on its plans, and operations.

By WILLIAM F. ARBOGAST WASHINGTON (AP) — The House Appropriations Committee today cut an additional \$390,195,000 from President Eisenhower's pet project, the foreign aid program. It was a final bid for a deep slash in 1950 government spending.

The committee recommended \$1,386,500,000 in new foreign aid money, adding its own cut to that already voted by Congress in the authorization bill which sets ceilings on the program. The combination cut more than 740 million dollars from Eisenhower's original \$3,930,000,000 request.

The authorization bill had put a limit of \$3,576,695,000 on the year's program to help friendly nations.

The foreign aid program is handled in two separate bills. One fixes the overall scope of the program. The other determines how much money shall be provided to pay the bill.

The committee's recommendations are subject to House approval — which appeared likely — next week.

Should the committee's action be sustained, the net cut in all appropriation bills passed this year by Congress for all agencies of the government will be in the neighborhood of 500 million col-

lars — the minimum target of Democratic leaders striving to squelch Republican charges that Democrats are "big spenders."

The committee cut 100 million from military assistance programs for which the President originally requested \$1,600,000,000 and for which the separate authorization bill approved only \$1,400,000,000. This would leave the direct military aid program with \$1,300,000,000 in new money.

Other cuts included: Defense support, 61 million from the 751 million authorized and the \$35 million requested.

Special assistance, 47½ million from the 247½ million authorized and the 272 million requested.

Technical cooperation, 29½ million from the 179½ million authorized and requested.

Atoms for peace, a program to help friendly nations set up peaceful-use nuclear projects, 5 million from the 6½ million authorized and requested.

10 million will be added to the wage less each day the strike continues.

With about 50 per cent of the nation's steelmaking at a standstill, daily production losses were estimated at nearly 43 million dollars. Lasser also were mounting in allied fields where an estimated 45,500 workers have been furloughed.

Federal mediators have scheduled a meeting Monday in New York, the first joint session since the strike began.

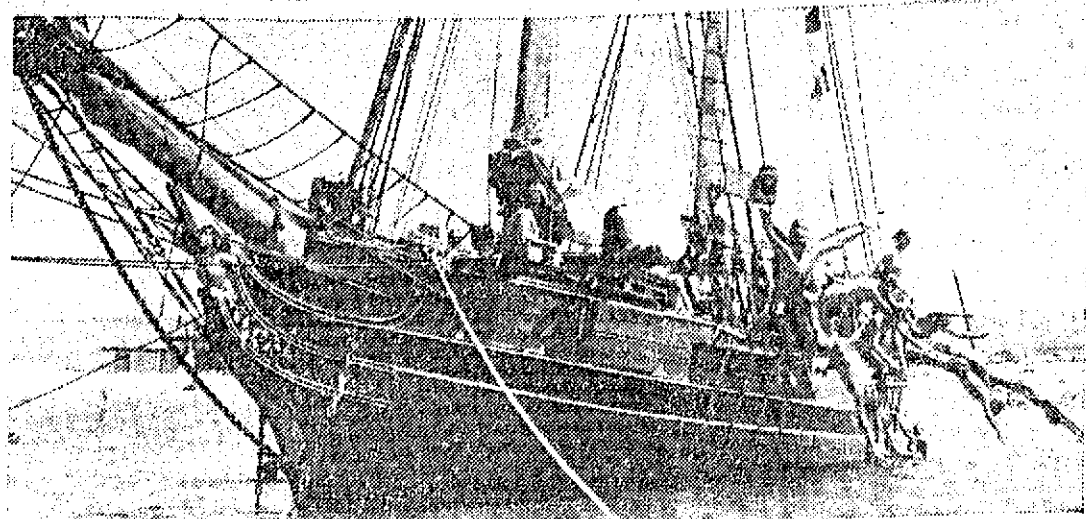

What are the prospects for settlement? Not very bright, according to Joseph F. Finnegan, director of the Federal Mediation and Conciliation Service.

"I still see no early or easy settlement," Finnegan told reporters. The fact that both sides will again sit down together does not imply any change in the

and French Foreign Minister Maurice Couve de Murville.

In London, Prime Minister Harold Macmillan also said he still thought the foreign ministers conference might be successful, and that the ministers then would arrange a summit meeting.

Among other Western delegations here the impression was that Macmillan still urgently wants a summit session, perhaps far more than Soviet Premier Nikita Khrushchev, and that Lloyd's task is to achieve it if possible within the major limits of Allied policy.

position of either, he said. But he added: "We feel we now have a better orientation on the differences between the two sides."

"I repeat until that happens we will speak different political languages. The one that is for putting an end to bases on foreign lands is for peace. The one who is against this is for war."

After the spirited exchange at the exhibition grounds, Nixon was Khrushchev's guest at a luncheon in the Kremlin.

Nixon and Khrushchev had met in the Kremlin earlier this morning for the first time since Nixon's arrival Thursday. The atmosphere was warm in contrast to the chilly reception of Nixon's arrival.

Nixon stood toe-to-toe with Khrushchev battling back his arguments one by one. At the end Nixon apologized for being "a

poor host at the exposition and allowing a ceremonial visit to turn into hot foreign policy discussions.

"My main point is that in today's world," Nixon said, "it is immaterial which of these two great countries at a particular moment has an advantage. Any advantage in the next war is illusory."

Khrushchev apologized for speaking so frankly to Nixon. But Nixon, recalling some of his political campaigns, told their interpreter:

"Tell him I have been insulted by experts." Photographers and reporters were allowed in for the first part of the morning meeting between Nixon and Khrushchev in the
